

PROPER USE OF BUYERS GUIDES

These 9 variants of the Buyers Guide are found in your V-Auto software and are to be used as applicable per these instructions.

NON-CERTIFIED VEHICLES:

1) **AS-IS** (any vehicle over 97,000 miles or vehicles with lower miles (blue light vehicles) where specific vehicle condition dictates that we don't want to warrant it, per management).

2) **Limited Power Train Warranty GM Vehicles** (2010 and older General Motors vehicles with less than 97,000 miles).

3) **Limited Power Train Warranty NON-GM Vehicles** (all NON General Motors or KIA vehicles with less than 97,000 miles)

4) **Manufacturers Warranty** (2010 and newer General Motors vehicles with at least 3000 miles and 6 months of the original 5 year 100,000 Power Train Warranty remaining).

CERTIFIED VEHICLES:

5) **Buick CPO IN BASIC WARRANTY** (Certified Pre-Owned Buick vehicles still covered under the basic bumper to bumper 4/50 warranty from the manufacturer).

6) **Buick CPO OUT OF BASIC WARRANTY** (Certified Pre-Owned Buick vehicles that are no longer covered under the basic 4/50 bumper to bumper warranty from the manufacturer).

7) **Cadillac CPO ALL** (All Certified Pre-Owned Cadillac vehicles as they must still be covered by the basic manufacturer's bumper to bumper warranty in order to be certified).

8) **GM CPO IN BASIC WARRANTY** (Certified Pre-Owned Chevrolet, Pontiac, GMC, and Saturn vehicles still covered under the basic 3/36 bumper to bumper warranty from the manufacturer).

9) **GM CPO OUT OF BASIC WARRANTY** (Certified Pre-Owned Chevrolet, Pontiac, GMC, and Saturn vehicles that are no longer covered under the basic 3/36 bumper to bumper warranty from the manufacturer).
